

Annual Report

The revered institution Shri Hazari Lal Public School was established in the year 2000 . The Journey has been full of hurdles and hardships, but there was no looking back. Then the organisation was Recognised by Directorate of Education and got Affiliated with C.B.S.E. The organisation has since been committed in providing conducive and congenial wholesome personality. The school stands synonymous to hard work and punctuality.

Our school focuses on the execution of a well planned curriculum that aims on the all around development of the students emphasis is laid on academics, co curricular activities, health and physical education.

The head of school manager sir, chairman Ma'am , the principal Ma'am have always been one step a head to motivate and guide the staff and made the qualified teachers industrious to impart best of best education to their students. This is the reason the school is progressing on leaps and bounds. The strength of the school has been on the rise ever, since the school has been established. The strength has reached up to 500 plus in this short period. An institution is always known for its performance and we are proud that our school has been imparting excellent knowledge and that's why we produce 100% result every time in board exams and we will never let this record break and we will improve and produce even better result than the previous one, every time.

Now let us come to the infrastructure , the school provides students an advanced computer literacy for that school has a well equipped Computer lab, a well managed and beautifully maintained Science lab that consists of

all the required apparatus. We also have integrated labs for Mathematics and Social Science Lab activities.

We do not lag behind in Sports as well, we have Play Ground to perform various sports activities like Kabbadi match for practice.

The school conducts extra classes in summer vacation and during winter break. An extensive revision for all subjects is done before the commencement of the examination.

For the language enhancement and to keep the students updated we provides students newspaper from class III to X. The student are not confined to the boundaries or within the four walls of the school , they are also take out on educational and recreational trips.

In the session 2019-20 students learnt about the changing environment, diversity in life forms, Nationalism in India and foundation of Buddhism, by their trip to McLeodGanj.
